

TWLS Tuesday Take Home June 8, 2010

NEW

Dear TWLS Families,

Our building community now requires that all businesses keep our doors locked with key card entry required. This keeps our children and community safe. We will no longer be leaving the front door unlocked so please be sure to use your key card or the door bell to enter school. We will be collecting your key card on Friday so we can rekey it for next year. If you cannot locate your key card please let us know. The landlord will charge us \$5.00 for every missing key. Thank you for your help in creating a safe, secure school environment.

- **REMEMBER** ~ To RSVP to Susie Fry regarding the Luncheon Celebration Party. **Regrets Only!**
- **REMEMBER** ~ **Please sign and return your waiver form from Pump it Up. Children may not participate without it. It was sent home last week with your child and it is also posted on the web at <http://www.twls.org/events/>. Socks are required to participate.**
- **REMEMBER** ~ Summer School registration forms are posted on the TWLS website at <http://www.twls.org/curriculum/summer-program/>

Possible Dreams Update ~ from Julie Hoff

Enrollment ~ Our #1 source of new students is from referrals. While our presence in the metro area is growing and we are receiving more and more calls from other sources, more than 90 percent of our new and returning enrolled students were referred by a friend/family member, Groves Academy or a health care provider. **We need your referrals now in order to reach our goal of 27 students for next year.**

Extra Efforts

- Special thanks to **Marshall Lehman and Lurie Besikof Lapidus and Company (our accountant firm)** for framing the newspaper story printed in the Star Tribune in March. Stop in and check it out!
- Congratulations and thanks to **Kim Gallant and the entire "Prom" committee** for hosting a fabulous and fun Spring Spectacular.

Calendar

June
