Box Tops Update ~ from Julie Bensen

Thank you for your continued support of the General Mills box top program. In one month we generated another \$70.00 (\$35.00 of boxtops and a \$35.00 match from the Bensen family). General Mills annually receives back only 5% of all boxtops that are generated. Ask your relatives and neighbors to collect them for our school. Remind them that it is like throwing a dime in the trash (in our case with the matching gift, it is like throwing twenty cents in the trash). It all adds up.

Possible Dreams in Progress ~ from Julie Hoff

Possible Dreams Luncheon ~ Tuesday, April 27 ~ Golden Valley Country Club.

Thanks to all of you for attending our Possible Dreams Kick-off last Saturday Night. We were thrilled to have 12 of 15 families represented at the kick-off and 6 of 7 boardmembers. WOW! You ROCK!

I am so thankful to all of you for sharing your amazing stories. I know everyone in the room that night felt a powerful connection and kinship to our incredible school and to each other. If Saturday night is any indication, there won't be a dry eye in the house come April 27. That night, I never shared what TWLS means to me, but I want you to know that I treasure every triumph and success that is shared with me. It is an amazing thing to be able to actually see the difference in your children day after day...to see them become happier, more confident and actually enjoy school and learning. The next best thing is hearing your stories...they touch my heart so deeply that it's hard for me to tell others without tears in my eyes. Thank you for helping make TWLS such a special place. With your help, we are just at the beginning of decades of beautiful success stories.

Potential Campaign Update ~ Our thermometer needs some heat! If you have not yet made a contribution to the annual appeal, it's not too late!
