FIELD TRIPS:

I give TWLS permission for my child to attend all authorized field trips, whether by car or walking for the 2010-2011 school year. I understand that staff members and parents will be driving the cars with the required insurance coverage. Parents will be notified of field trips and items the child may need prior to the trip.

PHOTOGRAPHY:

As we grow, it is important to share the content of our program with prospective parents, grandparents, and friends of TWLS through newsletters, advertising, and public relations. Throughout the year, we take photos of students engaged in school activities to maintain archives and to use for publicity purposes.

I give TWLS permission to use my child's name, student work and/or photographic image, taken at school or at authorized school functions, for print and electronic media distribution as well as internet/publicity purposes.
